My name is Alvaro Romero #27629078. I am writting this letter to you in regards to the facts of my situation. I have been incarcerated for 14 months. I have been trying to talk to my lawyer in regard to out come of the decison on our case from the higher court but have had no success. My lawyer name is Gerardo Montalvo. I have not been given a chance to look or hear the audio or video pertaining to my case. I am now with my second Lawyer and I would greatly appreciate it if you will contact my lawyer or anything that you may be able to do to help regarding these matters. I am not writting to remove my lawyer. I just want the best representation from him. Thank You for your help and time and assistance

Sincerely,
Alvaro Romero
